MÉTODO TABOGA

COMPLETE CRAFT

The **Taboga Method** is not only a reflection of the passion for excellence in rum-making but also a tribute to the Costa Rican land. Each bottle of Ron 1916 encapsulates the spirit of Costa Rica, from its lush sugarcane fields to its artisanal traditions, bringing to the world an authentic and exceptional rum that represents the best of the country.

MÉTODO TABOGA THE FOUR PILLARS

HARVEST

Excellence in Raw Materials:

Meticulous Selection
Hacienda Taboga's own mill ensures handpicked, top-quality sugarcane from the start.

100% Costa Rican
Exclusively crafted with Costa Rican sugarcane, embodying the essence of our land.

DISTILLATION

Directed Fermentation and Controlled Distillation:

Customized Fermentation
Tailored fermentation for each sugarcane variety enhances the rum's distinct flavors and aromas.

Precision Distillation
Copper stills with rectification columns ensure a pure, high-quality distillate, capturing the essence of Ron 1916.

MATURATION

Selective Maturation:

Variety of Barrels
Four distinct barrels add depth and complexity to the aging process.

Expert Management
Our Master Blender ensures precise aging that elevates Ron 1916's unique character.

BLEND

Perfect Blend:

Culmination of the Taboga Method
Aged rums are expertly blended to achieve a harmonious balance, reflecting the dedication behind Ron 1916.

Quality and Consistency
The goal is exceptional flavor and consistent quality in every batch, reinforcing Ron 1916's premium status.

PREMIUM INGREDIENTS

UNMATCHED QUALITY

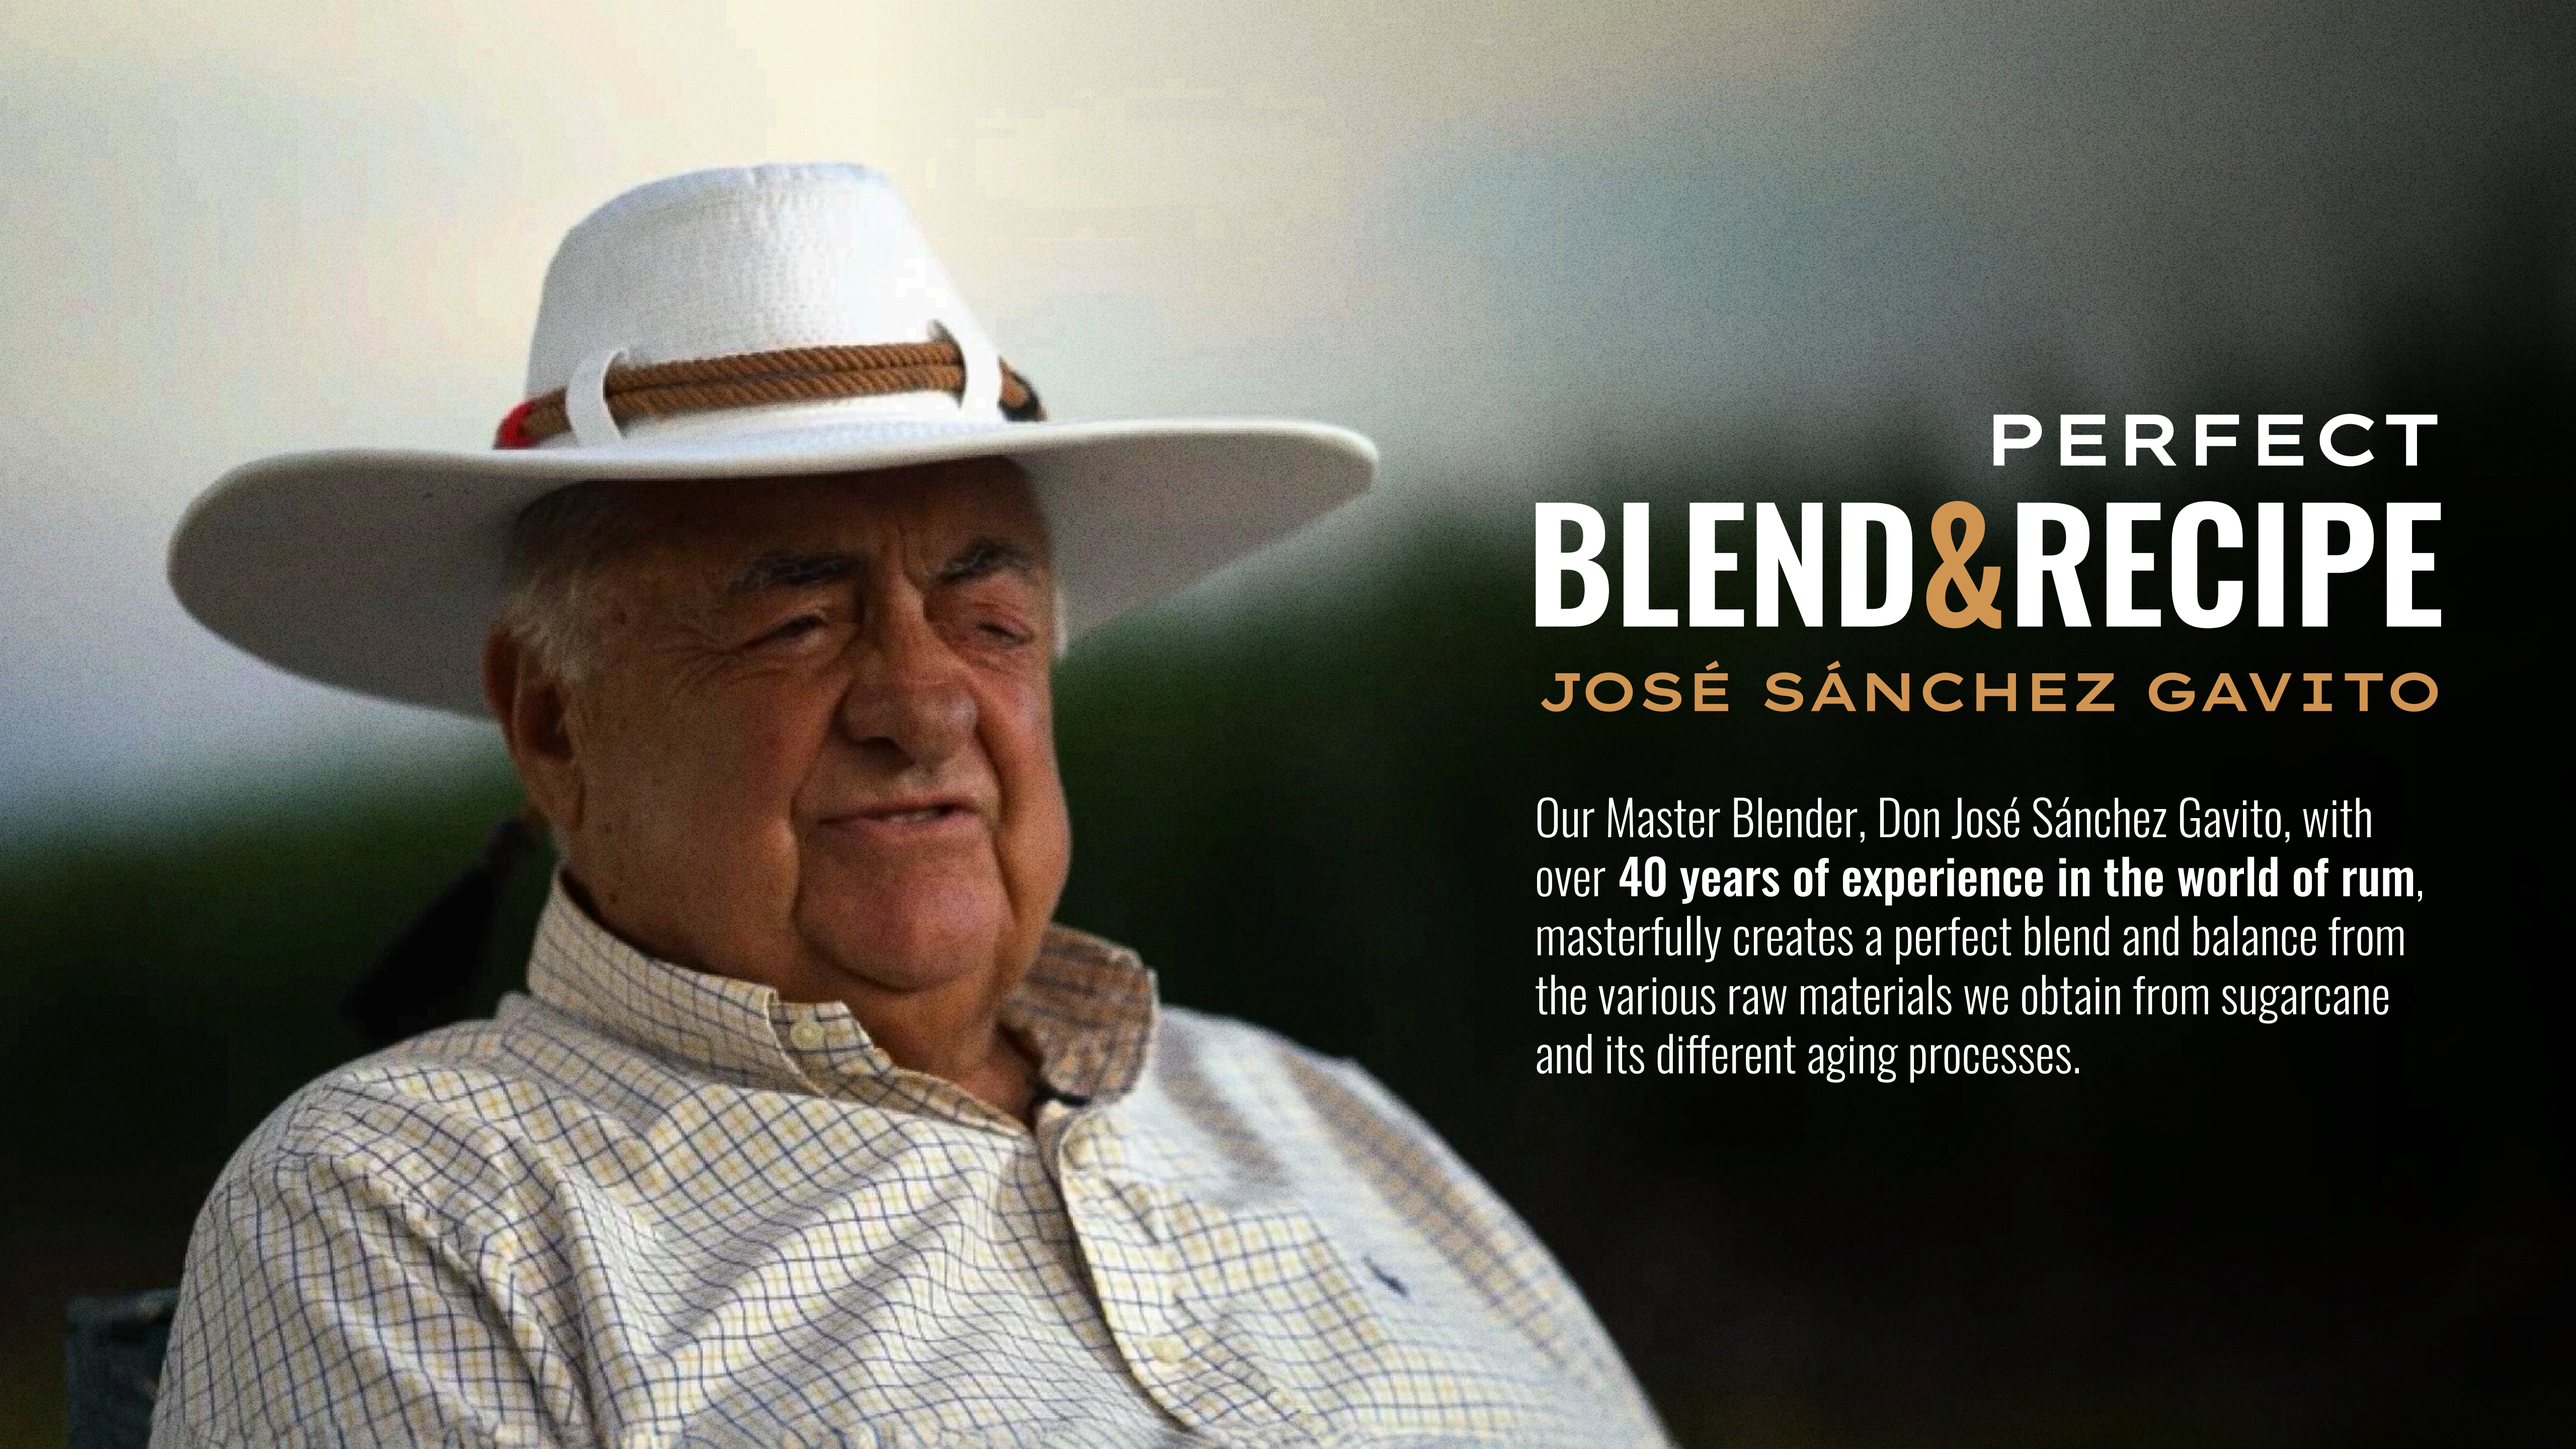

Taboga stands out for its philosophy of **sustainability and community commitment,** where the annual harvest is not just a crop, but a celebration of the land and its fruits.

More than 800 workers actively participate in this agricultural cycle, generating **vital employment** that supports numerous local families.

MATURATION

After being distilled in copper barrels, our rums are aged in a unique blend of **first-class casks** including **Oloroso, Amontillado, Pedro Ximénez Sherry casks, and Bourbon barrels.** It´s exceptional blend and balance is revealed in every sip.

PERFECT BLEND&RECIPE

JOSÉ SÁNCHEZ GAVITO

Our Master Blender, Don José Sánchez Gavito, with over **40 years of experience in the world of rum**, masterfully creates a perfect blend and balance from the various raw materials we obtain from sugarcane and its different aging processes.

PROTECTORS OF WILDLIFE

Our value lies not only in our commitment with sustainability and innovation, Rum 1916 is a premium spirit that delights the senses and protects the natural surroundings. With **more than 100** species in our property and around, **we proudly take charge of protecting** and creating the best environment for all of them.

JABIRÚ

AÑEJO INSIGNIA

PRODUCT PROFILE

A unique blending process and slow maturation in **four types of barrels,** harmonizing notes of toasted almonds and candied nuts.

Notes of dried fruits, peach, date, olive, brine, tobacco, almond, and honey.

A balanced flavor and a texture that gently caresses the palate.

IGUANA

BLANCO VANGUARDISTA

PRODUCT PROFILE

Versatile and vibrant, with a **clean and refreshing** flavor that captures the essence of Costa Rican sugar cane.

Aromas of molasses, coconut, and citrus, and a harmonious blend of sweetness with a smooth finish.

Aged in two barrels of Oloroso and Bourbon, it presents touches of cocoa and vanilla.
