HITO
ROSADO
2025

CHARACTERISTICS OF THE HARVEST

The 2025 vintage was marked by abundant rainfall during winter and spring, which allowed the vines to accumulate the reserves needed to face a hot summer. Significant temperature variations between day and night promoted a slow and balanced ripening of the grapes. Despite the challenges of the year, careful vineyard management resulted in a harvest of high quality, with healthy and perfectly balanced grapes.

WINEMAKING PROCESS

The harvest was carried out early, and the grapes were gently pressed to obtain a fresh and aromatic must. Alcoholic fermentation took place at low temperature, preserving the varietal aromas, and was followed by racking and clarification, producing an expressive wine with a delicate mouthfeel.

TASTING NOTES

A very pale, bright salmon-colored wine that reflects delicacy and freshness. On the nose, it shows great aromatic expression, with fresh red fruit aromas such as raspberry and cherry, accompanied by subtle notes of white flowers. On the palate, it is vibrant and harmonious, with marked acidity that adds liveliness, yet maintains a delicate and balanced profile. Its smooth, enveloping texture leads to a persistent finish. A fine, fresh, and expressive wine, a faithful reflection of a high-quality vintage.

TECHNICAL DETAILS

Appellation: Ribera de Duero
Soil: Limestone - Clay - Stony
Location: Castrillo de Duero
Orientation: North and South-East
Malolactic Fermentation: No F.M.
Variety: Tempranillo

HISTORIA

The word "HITO" means a stone marker, sometimes carved, used to indicate direction or distance along roads or to delimit land. This wine was created with the aim of offering the consumer the freshest and most aromatic expression of our variety, without any aging, using the same grapes as our great red wines.
